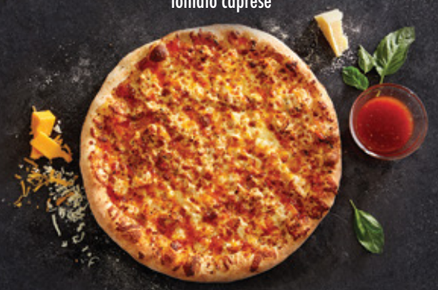
Gluten free crust is prepared in a common kitchen with the risk of gluten exposure. Therefore, Sal's pizza does not recommend this pizza for customers with celiac disease. Customers with gluten sensitivities should exercise judgement in consuming this pizza.

tomato caprese



sweet chili chicken

sal's special

mushroom florentine

chicken bacon ranch

Family Owned & Operated | SINCE 1990

Over 74 years ago, Sal's grandparents came to America and all they had when they arrived was a strong work ethic and an old family recipe for Sicilian style pizza. It wasn't long before their Revere Beach pizza stand earned a reputation for flavor, freshness and very generous portions.

Sal's heritage and strong family history led him to work in the Italian kitchens of Boston's North End where he perfected his craft.

Now, the authentic family recipe is available in all of our retail stores.
