## SAL'S STORY

Sal Lupoli's family has been making authentic, old-world Neapolitan-style pizzas for generations. The tradition began in Naples, Italy... came to Boston's North End...and is now in a neighborhood near you.

Sal and family of franchisees have been making the freshest, tastiest pizzas for over 20 years! Sal's uncompromising commitment to using the finest quality ingredients and delivering his signature sauce, cheese and dough fresh to each restaurant every day is the hallmark of the brand. It is a difference you can taste in every bite.

Sal rebuffs the big chain mentality to reduce size and skimp on quality while charging a higher price. No way! At a time when products are getting smaller yet prices are going higher, Sal's Pizza continues to serve up the biggest, tastiest pizzas at a remarkable value every day.
