SAL'S STORY

Sal Lupoli's family has been making authentic, Neapolitan-style pizzas for generations. The tradition began in Naples, Italy... came to Boston's North End...and is now in a neighborhood near you.

Sal and his family of franchisees have been making the freshest, tastiest pizzas for over 20 years! Sal's Pizza is made with hand-shredded 100% whole milk mozzarella cheese, the finest 100% extra virgin olive oil, signature sauce made from Stanislaus tomatoes – the very best there is – and fresh dough made from scratch every day in Sal's central kitchen.

Sal's uncompromising commitment to using the finest quality ingredients is the hallmark of the brand. Every pizza is hand stretched and made to your order.

It is a difference you can taste in every bite.

Sal opposes the big chain mentality to reduce size and skimp on quality while charging a higher price. No way! At a time when products are getting smaller yet prices are going higher, Sal's Pizza continues to serve up the biggest, tastiest pizzas at a remarkable value every day.
